

It's Easy to Switch to Hill

Look at Your HMO Insurance Card.

If you don't see "Hill Physicians" listed as your medical group, call your plan and switch to Hill. There's no change in your cost or interruption in your coverage. You can call your plan now, and your updated selection will be carried over into your next year's benefits when you renew your HMO coverage.

Can I Keep My Current Doctor(s)?

Your current physician may already be part of Hill Physicians Medical Group. Some physicians participate in more than one medical group. Call our customer service team at **800-321-MORE** for assistance, or search for your doctor(s) by last name on our physician directory at www.HillPhysicians.com/directory.

Why Should I Switch?

More than 300,000 Californians have decided that selecting an HMO and choosing Hill Physicians is a smart choice. Hill members "get more" – our unique combination of quality care, convenient locations, wide selection of independent physicians, easy referrals to in-network specialists, self-referral flexibility to in-network OBGYN, vision and mental health providers, access to a wide range of hospitals and our value-added services.

Available doctors, hospitals and services may vary based on type of coverage and your home or work location. Discuss hospital preferences with your primary care physician. The hospital names shown are for informational purposes and no endorsement is implied. In an emergency, call 911 or go to the nearest emergency room. For more information on your benefits, co-pays, deductibles, out-of-pocket costs or other available facilities, consult your health plan. Value-added services are subject to change. All facility names, word marks and brands are the property of their respective trademark holders.
