**Hill Physicians Medical Group Reports Strong Operating Performance in 2020**  
*Organization sustains financial strength despite COVID-19 pandemic impact*

SAN RAMON, CA (June 7, 2021) – Hill Physicians Medical Group, California’s largest independent physician association, announced its financial results for the year ended December 31, 2020. 2020 financial results remained flat during the pandemic, with Hill Physicians reporting earning \$554 million in revenue.

The medical group also reported increased patient and physician support, while strategically expanding its lines of business:

- Increased member access to care through broad adoption of telehealth and virtual visits.
- Expanded its PPO clinically integrated network business while initiating two full-risk agreements in its Medicare Advantage line of business
- Distributed PPE and provided COVID-19 testing supplies/guidance, telehealth support and well-being resources to physicians and their office staff.
- Distributed \$20 million of special payments to support independent practices.

“2020 presented an unprecedented environment, and I am proud of our performance as we delivered value-added services to all of our stakeholders. We ensured patient access to high quality care, implemented new programs for providers, and delivered growth while preserving Hill Physicians financial stability,” said David Joyner, CEO of Hill Physicians Medical Group. “As the pandemic continues into 2021, we are determined to do the same.”
