

HMO member reimbursement form for vaccines: Flu, Shingles* and TDaP*

Medicare Members

Hill Physicians is not responsible for reimbursement for tetanus / whooping cough (Boostrix®, Adacel®), or shingles shot (Zostavax®, Shingrix®). Please call your Medicare Part D insurance company to see if they will pay for you to get the vaccine at a pharmacy, or if they only pay for the vaccine in your doctor's office.

Hill Physicians will reimburse up to \$85 for the flu vaccine.

HMO Members (non-Medicare)

Hill Physicians will reimburse your vaccine cost up to \$85 for the flu vaccine, up to \$60 for the tetanus / whooping cough shots (Boostrix, Adacel), and up to \$250 for each dose of shingles shot (Zostavax, Shingrix).

Reimbursement Steps

1. Fill out the form below.
2. Bring the form to your pharmacy or call your pharmacy to complete.
3. Attach 2 receipts (original pharmacy receipt and a copy of the cash register receipt).
4. Mail in form to:

Hill Physicians Medical Group
Vaccine Reimbursement Program
PO Box 5080, San Ramon, CA 94583-0980
